# Convo Will Feature Bear Facts

BY JOY McELROY

A Grizzly that doesn't bite (or mug) will be presented to the students of Montana State University during Friday's convocation.

Joan Kuka, ASMSU vice-president, will accept the bear for the student body.

The University Symphony Orchestra under the baton of Eugene Andrie will play four selections and provide accompaniment for two arias sung by Miss Hasmig

Gedickian, music instructor.

This 11-year-old Grizzly "wooden" hurt a flea because he is carved of wood. He stands over four feet high and according to Gil Porter, who transported him into the Union building, he weighs about 150 pounds.

The Carter Oil company is donating the carving to the University. It was made of native Montana cottonwood by John L. Clarke, deaf and dumb Blackfoot

Indian of Glacier park. Mr. Clarke is reported to be one of the best wood carvers in the country.

The bear was originally the property of Tip O'Neill, Havre, and was displayed as a symbol for his Grizzly gasoline. When Carter oil purchased O'Neill's holdings, the carving, valued at \$1,500, was given to the University by John Fleming, ex-'43, and Arthur Verharen, representatives for the company.

The base of the carving is in-

scribed with the words "John L. Clarke" and "Cutopuis," an Indian word meaning "the man who does not speak."

A permanent resting place for the Grizzly has not been determined. Mr. Porter said that the bear probably would be enclosed in a glass case if he were put out for public display as there are too many curious pranksters among the student body. At present, the bear is hibernating in the Eloise

Knowles room.

Beethoven's "Pastorals Symphony No. 6" will highlight the orchestra's presentation. Miss Gedickian will sing "Vissi D'Arte" and "O Mio Bambina Caro" by Puccini.

The orchestra will continue with their performance, playing "Mala-guena" by Lecuona, a waltz by Josef Strauss, and conclude the convocation with Carl Friedemann's "Slavonic Rhapsody."

## THE MONTANA KAIMIN

Montana State University, Missoula, Montana Z400

Vol. XLVII Thursday, March 4, 1948 No. 65

### New Kaimin Heads

Photo by June Paul Hawkins, Wallace, Ida, and Bo Brown, St. Ignatius, new editor and business manager of the Kaimin, look over some of the equipment they'll be working with during the next year.

### Health Service Starts Shots

We started giving tick shots today," Dr. C. R. Lyons stated. The shots for Rocky Mountain spotted fever come in a series of three shots, one a week for three weeks, and will be given during March. The vaccine being used this year the health service is attenuated, for the ground ticks, which, according to Dr. R. R. Parker of Rocky Mountain spotted fever laboratory in Hamilton, "is more effective in its preventative power than the chick embryo vaccine used in former years." Dr. Lyons also emphasized that March is the best month to take shots because the serum will be more effective in case of infection later.

### Intercollegiate Knights Pick Johnson for Chief Grizzly

Intercollegiate Knights last week elected Royal Johnson, to serve as Chief Grizzly 1948-49. Johnson will assume duties of retiring Chief Grizzly Howard Hunter, Missoula, at next meeting of the group. Al Smurr, Sacramento, as treasurer will hold the title of Chief Paw for the coming year. He replaces Scotty MacLeod, Har- The position of Left Paw falls to Bourdeau, Missoula, who was elected secretary to replace Vern Selvig, Out- Selvig filled the position left

### Moment's Spur To Be Named Friday Night

One of five candidates will be named "Spur of the Moment" at 10:30 p.m. in the Gold room of the Student Union Friday at the Spur of the Moment dance. The dance starts at 9 o'clock.

Dave Freeman, Bear Paw social committee chairman, announces tickets are on sale in the Student Union office and will be sold at the door also. The tickets will be in ballot form.

Nominated by Tanan of Spur for the honor are Margot Luebben, Dillon; Lex Mudd, Missoula; Laura Bergh, Froid; Kay Hennessey, Conrad; and Marge Hunter, Missoula.

### Ancient Press Will Record Own History

A Montana pioneer with 67 years' residence in the state has come out of retirement to write history.

The old gent is the Washington hand press, which has spent the past nine years in the Northwest Historical collection housed in the journalism building. The disturbers of his rest are the 11 students in the Graphic Arts class taught by W. L. Alcorn, assistant professor of journalism.

They are putting the hand press to work printing the pamphlet, "An Adventure in Nineteenth Century Printing," which is the hand press's own life story.

In the early '80's Alex Rhone used the press to put out the Marysville Independent in the booming Montana gold camp. When the gold rush subsided, he moved the press to White Sulphur Springs where he published the Meagher County News.

Fred J. Ward '26, present owner of that paper, gave the old-time press to the late Dean A. L. Stone of the School of Journalism in 1939.

The press in operation can be seen by any student interested on Mondays, Wednesdays, and Fridays at 11 a.m. or any other time when the full crew is available, Mr. Alcorn said.

### Gals Choose Working

The student boss of the university's feminine portion of the student body will be Dorothy Jean Working, Wilsall, according to returns in the Associated Women Students election yesterday.

Miss Working will be assisted by Margie Hunter, Libby, as vice-president; Marian Bell, Kalispell, as secretary; and Margot Luebben, Dillon, as treasurer.

About 65 per cent or 208 voters selected Miss Working over her opponent, Harriet Haines, Missoula. For the vice-presidency, Miss Hunter defeated Pat Shorthill, Livingston, 200 to 110 votes; Miss Bell had 175 votes to Elsie Swalheim's 133 for secretary and Miss Luebben topped her opponent, Joan Sheffield, Cut Bank, 195 to 145 votes.

The new officers will be installed during the annual Lantern Parade during senior week in June.

### Minor Sports Meet Canceled; Boxers Refuse to Participate

The decision by seven boxers to withdraw from the Saturday Minor sports meet in Bozeman resulted in a cancellation of the entire meet, according to Coach Harry Adams.

Boxers who made the decision Monday afternoon are Gus Carkulis, Butte; Al Rosman, Windham; Morty Boyd, Lewistown; Chuck Johnson, Big Fork; Marvin MacArthur, Butte; Keith Vick, Kalispell; and Norman Allen, Hill City, S. D.

"We decided," Boyd said yesterday, "that we wanted sweaters along with our minor sports award, if we won our matches at Bozeman."

When informed of the boxers' decision, Coach Adams called Minor sports director Pat Dolan at Bozeman, and the entire boxing, swimming, and wrestling

meet was canceled.

"Since no provision in the AS MSU bylaws is made for awarding sweaters for minor sports," Adams said, "none can be awarded unless the bylaws are changed."

"To get a minor sports letter in boxing, the boxer has to win one intercollegiate fight. If he makes his letter for three years, a three-year award is made, which is usually a sweater," Adams said.

### REPUBLICANS PLAN FOR "CAMPAIGN"

Al Libra, Missoula, president of the MSU Young Republican group, reported on college organizational activities at the conference of Young Republicans held in the Florence hotel Saturday and Sunday.

### J Majors Get Jobs in Field

Six graduating seniors in the journalism school will roll up their sleeves at the end of the quarter for newspaper, press association, and radio work.

A reporting job on the Spokesman-Review is in store for Jack Fischer, Drummond. Martin Heerwald, Red Lodge, plans to join the United Press staff in Salt Lake City, and Vincent Keller, Lolo, will work in Minnesota as sports editor, reporter and photographer for the Little Falls Daily Transcript.

Dick Wright, Missoula, who is currently working for KGVO, wants to continue in the radio field. Bob Tucker, Anaconda, is interested in press association work, and Cy Molloy, Nyack, N. Y., wants reporting experience with a news service, small city daily, or trade publication.

### Communism Is Club's Topic

The Spanish club and the International Relations club met Tuesday night at 7:30 p.m. in the Student Union.

Dr. Robert Turner, instructor in history and political science, discussed "The U. S. versus Russia in Hispanic America."

"I think that the Communist parties in the southern republics are Russian-directed and anti-U. S. They are intent on breaking down the inter-American defense agreements," Dr. Turner said.

The address emphasized the Communist parties in Brazil, Cuba, and Chile. Dr. Turner said the Communist parties were growing in all the southern republics but that they were especially strong in these three.

### Red Cross Membership Cards To Serve as Dance Tickets

Red Cross membership cards, countersigned by one of the aldermen or Mayor George Sarsfield, Butte, will serve as tickets for the married students' dance, Saturday night, at the Community Center.

According to Marvin Tschudin, Tacoma, finance chairman for the drive among married students, Joe Clark, Billings, has been appointed dance chairman. Andy Arvish, Anaconda, and Chuck Peck, Missoula, are on the coke committee. The dance is being sponsored by

the residents of Cascade street. Dancing will be from 9 to 12. Sandwiches and coke will be served.

"Red Cross membership cards are the only tickets to the dance," said Tschudin. "Make your donation to Mayor Sarsfield or one of the aldermen."

The Red Cross drive started in the row house area Monday. Tschudin said that the dance is for all married students on the campus.

## More Pix Wanted . . .

Student Poll Okays Kaimin News Coverage,  
But Pictures, Cartoons Need More Space;  
Social Spotlight Approved

(The following story is one of a series based on a public opinion poll of MSU students. This poll was taken by six journalism seniors as a senior seminar project.)

This project was set up according to scientific polling methods. Those polled were selected to match proper proportions in MSU's student body of male, female, veteran, non-veteran, married, single, graduate, senior, junior, sophomore, and freshman students. A sample poll was taken first to determine the questions to be asked, and in the final poll 10 per cent of the student body was interviewed. Ed.)

The majority of MSU students believe the Kaimin devotes adequate space to club news, social events, sports, special events, editorials, and letters to the editor. But almost two-thirds of the students feel that too little space is given to pictures and cartoons.

Married students expressed comparatively little interest in more coverage of campus clubs. Thirteen per cent of the single students questioned said that too little space was given to club news, while only 3.0 per cent of the married students agreed with this opinion.

	Too Much	Too Little	Adequate	No Opinion
Total	14.0%	10.0%	72.0%	4.0%
Male	15.4	8.7	70.3	4.6
Female	9.0	15.2	73.4	2.5
Married	13.0	3.0	77.0	2.0
Single	14.0	13.0	70.0	3.0

Of the male students questioned, 22.0 per cent said that too much space was devoted to social news, but 21.0 per cent of the women students felt that coverage of social events was inadequate.

	Too Much	Too Little	Adequate	No Opinion
Total	17.1%	14.5%	64.6%	14.5%
Male	22.0	13.0	61.0	4.0
Female	3.0	21.0	76.0	0.0

Fifty-eight per cent of the students thought enough space was given to sports. There was a big difference, however, in the proportion of men and women who felt there was insufficient sports news. While 41.0 per cent of the men felt that the space devoted to sports was inadequate, only 8.0 per cent of the women students felt that sports should receive more coverage.

	Too Much	Too Little	Adequate	No Opinion
Total	6.0%	32.0%	58.0%	4.0%
Male	4.0	41.0	54.0	1.0
Female	10.0	8.0	63.0	14.0

Although 60 per cent of the students felt that adequate coverage was given to special events, such as convo stories, the polo drive, and Red Cross stories, 32 per cent voiced the belief that too little space was devoted to such news in the Kaimin.

	Too Much	Too Little	Adequate	No Opinion
Total	4.0%	32.0%	60.0%	4.0%
Male	4.0	34.0	58.0	4.0
Female	3.0	30.0	63.0	4.0

The number of editorials run in the student newspaper was voted "adequate" by 71 per cent. Sixty-four per cent of the students polled believed the space given to letters to the editor also was "adequate."

	Too Much	Too Little	Adequate	No Opinion
Total	9.0%	16.0%	71.0%	4.0%
Male	10.0	20.0	65.0	5.0
Female	5.0	5.0	87.0	3.0

	Too Much	Too Little	Adequate	No Opinion
Total	24.0%	9.0%	64.0%	3.0%
Male	27.0	10.0	59.0	4.0
Female	15.0	6.0	79.0	0.0

"Too little space devoted to pictures," said 64 per cent of the students. The men and women students agreed on this matter; 60 per cent of the men and 70.3 per cent of the women believed there were not enough pictures in the paper.

	Too Much	Too Little	Adequate	No Opinion
Total	3.3	64.0%	31.0%	5.0%
Male	1.0	60.0	32.0	7.0
Female	0.0	70.3	28.2	1.4

The opinion poll showed the great popularity of cartoons among students. Of those polled, 63.1 per cent expressed the belief that "too little space" was devoted to cartoons. Few students believed that too much space was given to

cartoons.

	Too Much	Too Little	Adequate	No Opinion
Total	1.7%	63.1%	30.5%	4.5%
Male	1.9	57.6	34.1	6.2
Female	1.3	77.9	20.7	0.0

Three ways of handling social news were presented to the students for their choice. First, to handle it as at present, under the "Social Spotlight," and the third was a "gossip" column. Students were asked to rank their preferences. "Social Spotlight" won out by 61 per cent.

	First Choice	Second Choice	Third Choice
Total	61.0%	19.0%	21.4%
Male	56.2	22.4	21.4
Female	77.0	3.2	14.8

	First Choice	Second Choice	Third Choice
Total	25.0%	50.8%	25.0%
Male	27.0	47.0	26.0
Female	23.0	61.0	15.0

	First Choice	Second Choice	Third Choice
Total	13.0%	31.0%	57.0%
Male	16.0	31.0	53.0
Female	0.0	30.9	69.0

## Bonner Club Organizes

Jack Mahan, Helena, and Pat McDonough, Shelby, were elected temporary co-chairmen of the "John Bonner for Governor" club Monday afternoon.

The club is composed of students "interested in the development of Montana and the advancement of opportunities for Montana graduates," McDonough said.

John W. Bonner '28, former attorney general, is running on the Democratic ticket.

## Hearing

Aids —By Nels

Got a hitch in yer gittalong? Buy a horse. At 11:45 this morning you can get the Missoula livestock auction over KGVO, and at noon KXLL will bring you the livestock auction report from Butte. Sounds like a red-hot half hour of listening.

Or, for guys like Bunny Radakovich or Tom Monahan, Mary Lee Taylor gives with 15 minutes of kitchen hints. And you can have her . . . on either station. KXLL at 10:30, KGVO at 9:45.

'Sfunny how some people's minds run. Tuesday afternoon on KGVO's mail bag program in which they admit criticisms and orchids to the station, some writers wanted some stories to come to an end once in a while. But the crowning blow was her mention of a "logical conclusion" like movies. There's a lotta script material in a passionate embrace.

Tonite's hooper-dupers . . . A six over KXLL, Henry Aldrich then Burns and Allen . . . Sever over KGVO Dick Haymes; KXLL airs the man without a match, A Jolson. Crime Photographer over CBS at 7:30, Longine Symphonette over NBC. Lemac Bob Hawk for Camels at 8 over KXLL, Edd Cantor at 8:30. Evening Serenade over KGVO from 9:20 to 9:55.

Headlines are used to attract attention. Probably the reason for bangs.

## Our Lighting Differences . . .

Have you ever compared some of the lighting systems around the University? Sometimes it is possible to find a striking difference. Take for an example the library on the second floor of the law school. Little bulbs of approximately 1925 vintage are apt to force our future lawyers to give opticians a large volume of business.

On the other hand we have the campus beauty shop in the Student Union with its fluorescent lighting system. Keeping up the feminine glamor is fine, and there is no reason why the beauty shop shouldn't have these lights, but is there any reason why our law school cannot be equipped in the same manner?

The lights in the main library have been improved to the point where one can actually read without squinting. Can't something similar be done about the condition of this library in the law school? Can't some of these fluorescent lighting systems be installed in all of our campus libraries? Or maybe they're rated less important than our beauty shop.

## Coffee Hours and Song-Fests

Looking back over winter quarter campus activities brings to my mind two things in particular. What happened to the singing-between-halves at University basketball games and to the coffee hours in the Student Union?

It seems to me that the discontinuance of these two fine features was a mistake. Although the reasons behind the move may be multiple, perhaps a little effort on the part of Traditions board could restore them.

A coffee hour during the week was a means of not only letting students become better acquainted, but it provided an excellent opportunity for all students to mix socially with instructors. A few quiet moments of relaxation, a refreshing cup of coffee, and couple long drags on a cigarette can do wonders, even to a senior's feeling of complete hopelessness.

Singing-between-halves at the Grizzly basketball games recalls many enjoyable song-fests—the Theta Chi's rendition of "A Huggin' and a Chalkin'," the SAE's giving out with Gay Ninety songs, and many others. It is too bad that the new freshman class missed it this winter, I sincerely hope that next basketball season will revive this grand old tradition—Vincen Keller.

## Local Bicycling Couple To Pedal Over Continent

Passage on the Queen Mary to my two years of university training."

Wallace and Mrs. Chapin came to Montana two years ago from Connecticut. Mrs. Chapin is a graduate of Mt. Holyoke, Mass. Wallace is studying economics. The couple live at 1325 Gerald avenue.

For Wallace, it will be the second visit to England and Italy. During the war he served in the American Field service, attached to the British Eighth army, and saw service in Italy.

"We're members of the International Youth Hostel organization," Mrs. Chapin said. "We have already bought bikes and expect to cycle our way through Europe."

They hope to see the British Isles, the Scandinavian countries, France, the low countries, Switzerland, Italy, and "maybe" Germany. "Our trip is planned to see some of the farming and off-the-tourist-trail sections," Chapin said. "We think that way we should see and learn more."

# SAE, Theta Chi Win First Round Playoffs

Sigma Alpha Epsilon won from Alpha Tau Omega, 44 to 32, and Theta Chi defeated Phi Sigma Kappa, 44 to 37, Tuesday, to end the first round of interfraternity playoffs.

In the opening encounter the hard-fighting ATO team kept within five points of the winners throughout the first half. With three minutes left, Bridenfeld scored a free throw to tie the score, but Delamater, an SAE substitute, broke loose and scored twice before halftime.

In the second half the SAE team started to click, with Thorsrud and Souhrada passing to O'Hern, setting up three quick baskets. After that the tired ATO team had no chance. Bridenfeld and Neils were outstanding for the losers.

SAE	ATO
Bridenfeld 4	Neils 6
O'Hern 8	Mundy 4
Delamater 8	Viken 1
Souhrada 8	Nelson 2
Wedin 2	Bridenfeld 8
Mowbray 4	Froelich 2
Murfit 2	Higgins 2
Thorsrud 6	Estes 2
38 6 44	22 10 32

In the second game Theta Chi took an early lead in a slow, hap-hazardly played game, and held it throughout.

Jones controlled the backboards for Theta Chi, while McElwain was effective with his ball stealing.

The games were handled by downtown referees, McLain and McElwain.

Theta Chi	Phi Sigs
McElwain 4	Cummings 4
Chaffee 4	Peterson 5
Milstein 8	Forsyth 6
Baugh 4	Johnson 2
Tippett 2	Johlig 6
Sykes 4	McDonald 6
Clark 2	
McGlothlin 1	
Jones 10	
Baranese 1	
36 8 44	29 8 37

Halftime: 21-15, Theta Chi.

In the opening round of play Monday night, the Sigma Chi quintet tripped Sigma Phi Epsilon, 38 to 23, while the Phi Delt won easily from Lambda Chi, 51 to 23.

## King Kegler Tells How He Piles Up Ten-Pin Totals

Bob Morris, Missoula, expert intramural kegler, offers a few tips for the fledgling bowler. And Bob is just the guy who can afford to give ten-pin advice.

Morris has the highest intramural average for the past two

BOB MORRIS

seasons. Last year his all-season average came to 182, and he is currently boasting a 177 average. This gives him a two-season average of close to 180, no mean stunt in any league. Last year he and Jack Terry, Winnetka, Ill., teamed up and took first place in doubles play in the annual Garden City league tournament.

"The bowler and the dancer,"

## Grizzly Baseball Players Report For Practice

About 30 men responded to Coach Eddie Chinske's call for baseball talent Monday afternoon. Coach Chinske said some men who were interested did not attend because of classes.

Candidates will start working out in the gym today.

The season opens with a doubleheader with Washington State there on April 8. The next day the team plays two games with Whitworth in Spokane.

On the 17th the Grizzly nine tangles with Farragut there, on the 23rd they play Whitman there, and meet Northern Idaho college in Lewiston the 24th.

First home game of the season is Whitman here on May 8.

## Frats Rule Out Ineligible Men

Interfraternity sports managers met last week and declared five men ineligible to play in this week's interfraternity playoff, according to Robb Sykes, Livingston, interfraternity president.

The five men are Ralph Ripke, Big Fork; Bert Replogle, Lewistown; Bill Walterskirchen, Missoula; Charles Deputy, Dillon; and Doug Armitage, Glendive.

Intramural rules state that men are ineligible if they have played on the varsity after the intramural season starts, if they have played against a Pacific Coast conference team during the season, if their grades are not adequate, or if they have lettered on a college varsity team.

"Under intramural rules the men are ineligible, and we decided to enforce the rules for the playoff," Sykes said.

During the intramural season, Intramural Director Szakash neglected to enforce the rules and allowed some of the ineligible men to play.

Morris said, "have much in common; footwork is extremely important to both. I take four approach steps, but I feel that it's best for each bowler to use whatever number of preliminary steps is natural to him.

"In regard to the speed of your delivery, I feel that an extra fast ball is just as damaging as an extra slow ball. A fast ball makes the pins jump, instead of knocking them down in the accepted fashion. I guess I throw what might be called a fast ball.

"By all means, own your own ball. Over a period of time your average will suffer greatly if you are forced to use a different ball each time you bowl.

"Just as in any other sport that demands perfect timing, practice is the most important aspect of bowling. Lay-offs, or an irregular practice schedule will do more to keep you out of the high-scoring circles than any one thing. Unfortunately I don't get enough practice."

Bob bowls anchor for the Theta Chi team, currently in second place behind Phi Delta Theta in the intramural league. Each evening from 4 to 9 he works at the Liberty bowling center, but his duties at the desk keep him off the alleys during those hours.

## Warsinske Is New Captain Of Swimmers

At their meeting yesterday afternoon, Grizzly swimmers elected Norman Warsinske, Billings, captain for next year, according to Swimming Coach Bob Oswald.

"Warsinske is the team's big gun in the breast stroke," Oswald said, "and was second in points this year with 25 and two-thirds."

Retiring captain Chuck Simpson, Nutley, N. J., was high point man with 31 and two-thirds points.

Warsinske took first in the breast stroke against Idaho, Farragut, and Montana State college; third against Washington State. He was the only Grizzly splasher to place in the Northern division meet in Seattle last week. He placed fifth in breast stroke.

The tall, blond, breast stroke ace also helped the Grizzlies win the 300-yard medley relay against Idaho, Farragut, and Montana State.

Other high-point swimmers for the year, according to Oswald, are Bill McMannis, Dillon, 23½ points; Dale Gillespie, Missoula, 20½ points; and Robert Skrederstu, Forsyth, with 17 and one-fourth points.

"Jones is good, but his one main fault is that he's conceited"

## Cause for American Pride . . .

*is thus beautifully offered to our acceptance  
That we may fulfil with the  
greatest exactitude all our engagements,  
foreign and domestic, to the utmost of our  
abilities whenever and in whatever manner  
they are pledged: for in public, as in pri-  
vate life, I am persuaded that honesty will  
be found to be the best policy.*

*That we may avoid correcting  
ourselves with the politics of any nation,  
farther than shall be found necessary to  
regulate our own trade; in order that com-  
merce may be placed upon a stable footing—  
our merchants know their rights—and the  
government the ground on which those rights  
are to be supported.*

*That every citizen would take  
pride in the name of American, and act  
as if he felt the importance of his country  
and the responsibility of his position.*

*That we should be absorbed, if not annihilated, if  
we exist ourselves (further than our  
national may require) under the banner of  
any nation whatsoever. And moreover, let  
us*

### WASHINGTON'S FAREWELL ADDRESS

Here, in our First President's own handwriting, is part of the far-sighted speech he delivered to the American people 152 years ago. The spirit of the doctrine still applies. It calls for a firm unity among our people . . . emphasizing, above all, the need for "every citizen to take pride in the name of an American." The original is now aboard the "Freedom Train"—a traveling exhibit of the most significant documents in our history.

Be proud of what you write . . .  
and the way you write it!

Naturally you're proud when you own a Parker "51". For this is the world's most-wanted pen. It glides with satin-smoothness . . . gives new freedom to your thoughts and fingers . . . makes writing more fun! Whether it's an exam—a theme—a letter, this is the pen that will always show you at your best. Ask for the "51" in either the regular or new demi-size. Choice of points. The Parker Pen Company, Janesville, Wisconsin, U. S. A., and Toronto, Canada.

Parker "51"

"51 writes dry with wet ink!"

## Why Operators Weep . . .

Recent Survey by Telephone Company Reveals University Switchboard Overloaded; New Boards May Be Installed

Number please! Operator! University! No matter how they say it they still say it thousands of times during a regular shift.

Monday and Tuesday of this week two local telephone company employees audited the number of calls going through the university switchboard from 9 a.m. to 5 p.m.

Figures are not available as yet to the number of calls that were made during the eight-hour periods, but the company did find out how many times a day the operators practically go crazy with overloaded lines.

The reason for the survey: the Mountain States Telephone company in Missoula wants to know whether the University rates a new set of switchboards.

What information could be gleaned from the company yesterday revealed that the peak times were 11 a.m. to 12 noon and 3 to 4 in the afternoon.

The survey might prove that the University needs one of two new types of switchboards. They are the dial system and the multiple boards. The dial system would cut down the traffic on the switchboards and install dials on every phone in campus offices. The multiple switchboard merely makes the operators' jobs easier—which is another story in itself.

## Calendar . . .

### Thursday, March 4

4 p.m.—World Federalists, Bitterroot room.  
7 p.m.—Stamp club, Eloise Knowles room.  
7 p.m.—Masquers, Bitterroot room.

Student Union Theater

All students are cordially invited to attend

## Accountants Pick Dr. Emblen

Dr. Donald Emblen of the business administration school was one of a group of seven appointed by the executive committee of the American Accounting association to serve on the test advisory committee for the current year.

Dr. Emblen was appointed along with six other men from the universities of Pennsylvania, Illinois, Texas, and Pittsburgh, Wayne university, and Western Reserve.

T. H. Smith, dean of the business administration school, says this appointment comes largely as a result of the excellent work done by the accounting staff directed by Dr. Emblen last year.

Last year the University participated in a nation-wide examination given to accounting students in the leading universities of the country. First-year accounting students rated third in the nation on accounting knowledge and achievement. Thirty-six universities participated in the examination, including Columbia, Harvard, Michigan, Minnesota, and California.

Thirty-one universities participated in examinations for advanced students and MSU students ranked seventh. In general education, out of 22 universities, the dean said MSU ranked eleventh.

## Phi Chi Theta Gals Honor Founders

Phi Chi Theta held a Founder's day candlelight ceremony last night, according to Gloria Allen, president. The ceremony took place after a 7 o'clock business meeting in the home of Mrs. Brenda Wilson.

## Educators Meet In Atlantic City; Maucker Attends

"The convention was as big as a 25-ring circus," J. W. Maucker, dean of education, said yesterday. Dean Maucker returned Saturday from the American Association of School Administration's convention in Atlantic City. He attended the convention from Feb. 20 to 26.

He said he took advantage of the convention to line up Dr. Edgar L. Morphet, a member of the State Department of Public Institutions in Florida, for summer session.

Dr. Morphet helped to reorganize schools in Florida and will be here on campus for about four days in June to help reorganize schools in Montana.

Dean Maucker said also that a new education accrediting organization, the American Association of Colleges for Teacher Education, was organized at the convention. MSU's School of Education soon will be accredited by this organization.

The dean said there were many good suggestions made. Teachers' training institutions were discussed with the suggestion that students have more practice teaching, both formal and informal.

"The educators showed an increasing concern with the problem of preparing students to understand international problems," Maucker stated.

Another problem that was discussed was the teacher shortage. Dean Maucker said that with the anticipated high birth rate in the 1950's more than 175,000 more teachers would be needed. "That is in addition to the present shortage," he said.

## NEW ROOFS BUILT OVER 18 PRE-FABS

New roofs have been put on the 18 one-bedroom units in the pre-fab housing area. Maintenance Engineer Tom Swearingen said yesterday roofing paper would be put on the units as soon as weather permits.

## Alumni Group Plans Dinner

Plans are being made for an MSU alumni dinner to be held at the Rainbow hotel in Great Falls on March 9.

The alums will talk about the possibilities of sponsoring the spring quarter operetta, "Desert Song," said Andy Cogswell, secretary of the alumni association. LeRoy Hinze, director of dramatics, will be there to speak on the operetta.

Colored movies of the Washington State and Hawaiian football games and the 1946 homecoming will be shown. Doug Fessenden will comment on the two games.

Orville Grey is president of the Great Falls alumni.

## It's Been

## Purty Coal

MSU students have just come through the coldest February in six years.

"Any sustained cold spell is usually over by the 21st of January," Tom Swearingen said yesterday in talking over the coal consumption, "but this year we've been running a week or ten days behind schedule."

Average temperature last month was 24.2 degrees, compared with the 1942 average of 21.6 degrees. And still the University burned 109 tons of coal more this year than in 1942, due to the additional heating needs on the campus.

Coal prices, \$4.60 a ton in 1932, have risen steadily in the last 16 years. A recent 10-cent freight increase has brought the present price to \$7.89 a ton, less 2 cents a ton discount.

## Housing Office Has Apartment

The university's housing and employment office reports openings for a half-dozen jobs, both on the campus and downtown and a really hard-to-find item—an apartment.

Mrs. Peggy Leigh, housing and employment secretary, said yesterday her office has received requests for stenographers, receptionists, and students wanting to work for room and board.

Mrs. Leigh reported that the apartment for rent is a two-room abode about eight or 10 blocks from the campus in the southwest part of Missoula.

The jobs include—Two full-time stenographers to fill jobs in campus offices, a full-time receptionist-stenographer at a downtown office, and an afternoon-only stenographer in a downtown real estate office.

The other two jobs are for two girls attending the University who would like to work for room and board.

Mrs. Leigh's office is located in Craig hall.

## PHARMACY CLUB ELECTS OFFICERS

Warren Amole, Birdsboro, Pa., was elected top man in the Pharmacy club at a recent meeting. Other newly elected officers include Bill Krall, Duluth, vice-president; John Norton, Bismarck, N. D., treasurer; and Frank Greco, Kalispell, secretary.

Marilyn Howser, Lonepine, has been appointed new publicity director of the club, according to Amole.

There are a large number of rivers in Argentina, most of them coming from streams.
